

Why choose Crown Preparatory Academy?

CPA gives God dominion over education by ensuring our students solidify a Christian foundation upon which to build their faith and to foster their academic excellence.

Our school promotes academic scholars, a rigorous education, and fosters a love of learning. We believe learning should be exciting, creative, and engaging.

CPA is a Christian-centered, Bible-based environment where students will learn and foster divine purpose.

Our students received Godly character development based in the Biblical Worldview on the infrastructure that the Bible is the inspired, infallible, authoritative Word of God.
