

Craig A. Conroy is the Plant Manager for Luvata Ohio, Inc. A Group Company of Mitsubishi Materials.

Craig has over 40 years of experience in Manufacturing. He has held the positions of Machine Operator, Scheduler, Supervisor, Inventory Control Manager, Department Superintendent, Manufacturing Manager, Engineering Manager, Environmental Coordinator and Plant Manager. Craig's responsibilities as Plant Manager encompass all Production Departments, Maintenance, Toolroom, Shipping, Purchasing and for Two Facilities.

Craig was the Ohio Lead person for the start-up of plants in Welwyn Garden City England, Suzhou China and Sao Paulo Brazil. These three plants along with the Ohio plant make-up the Luvata Formed Products Business Unit, which is the number one supplier "in the World" of resistance welding caps for the Automotive Industry.

Craig also is the Lead for the Plant's Luvata Production System, which was one of the first operations within Luvata to achieve a "LEAN" status.

Craig has been a Board Member of two Non-Profit groups for a total of 10 years. He received the 2020 Medical Mutual Pillar award for Community Service for Non-Profit Board Executive of the Year.

Craig has been a member of Columbus Christian Center Church since 2002. Craig was a 2020 Timothy Award recipient.

Craig received a Bachelor of Science Degree in Business Administration from The Ohio State University.

Craig is soon to be married "40 years" to his wife Vickie. They have two Sons and three Grandchildren.
